*This is not spam, an advertisement, or a lawyer solicitation.*

**What Is This Action About?** This Action alleges that during a Data Breach that started on approximately March 3, 2024, a well-known ransomware group accessed Ward's information network and stole a massive 574 gigabytes of data. Plaintiff filed this action on October 15, 2024, alleging that Plaintiff's and Class members' highly sensitive personal information ("PII") was exposed on the dark web and that Ward was negligent regarding its data security practices in permitting an unauthorized third party to access its network and exfiltrate the PII. Defendant denies all claims asserted against it in the Action, all allegations of wrongdoing and liability, and all material allegations in the Complaint filed in the Action but has agreed to settle all claims. No court or other judicial body has made any judgment or other determination that Defendant has done anything wrong.

**Who Is A Class Member?** You are a Class Member if you are an individual whose personal information may have been compromised as a result of the Data Breach Incident and received a notification letter from Ward related to the incident, as identified on the Class List.

**How to Receive a Settlement Benefit?** The only way to receive a settlement benefit is to submit a Claim Form by visiting the settlement website at [www.WTLDataSettlement.com](http://www.WTLDataSettlement.com), or calling (844) 918-7626 and requesting a Claim Form to mail in.

All claims must be filed before **APRIL 27, 2026**.

### **What Are My Other Rights?**

• **Do Nothing:** You will not receive a settlement benefit. You give up your rights to sue Defendant or bring any other lawsuit against the Releasees for the same claims.

• **Exclude yourself:** You can get out of the settlement and keep your right to sue about the claims in this Action, but you will not get a settlement benefit. You must submit a valid and timely request to opt-out by mail to the Settlement Administrator by **FEBRUARY 9, 2026**.

• **Object:** You can stay in the Settlement, but tell the Court why you think the Settlement should not be approved. Your written objection must be mailed, with a postmark date no later than **FEBRUARY 9, 2026**, to the Clerk of the Court. You may also request to appear at the Final Approval Hearing. Detailed instructions on how to exclude yourself, object, or appear at the hearing can be found on the Detailed Notice found on the Settlement Website.

**Do I have a Lawyer?** Yes, the Court has appointed Marc H. Edelson of Edelson Lechtzin LLP and Gary F. Lynch of Lynch Carpenter, LLP to represent you and the Settlement Class. Class Counsel shall file a motion with the Court for consideration at the Final Approval Hearing seeking to be paid attorneys' fees of up to the Attorneys' Fees Amount of one-third of the Settlement Payment (\$116,666.67), to be paid from the Settlement Fund, plus expenses, plus a Service Award of up to \$3,500 for the Class Representative, to be paid from the Settlement Fund.

**The Final Approval Hearing:** The Court has scheduled a hearing for April 27, 2026, at 10:00 a.m., by telephone, to consider whether to approve the settlement, Service Awards, Attorneys' Fee Amount, as well as any objections. You or your attorney may request to appear at the hearing, but you are not required to do so. The date or time of the hearing may change, so please check [www.WTLDataSettlement.com](http://www.WTLDataSettlement.com) for updates.
